Cookie Usage (April 2018)

Cookie Usage

When Town & Country Veterinary Centre collects personal information, this notice tells you what to expect. It covers all information collected by us about all visits to our website. Cookies are small text files that are placed on your computer or mobile phone when you browse websites.

Cookies help us:

- to make our website work as you would expect
- to remember your setting during and between visits
- to improve the speed and security of the site
- allow you to share pages with social networks like Facebook

We do not use cookies:

- to collect any personally identifiable information
- to collect any sensitive information
- to pass personally identifiable information to third parties

Analytical Cookies

These anonymously remember your device when visiting our website. By tracking browsing patterns, they help build a profile of all visitors to our website.

If you wish to opt out of being tracked by Google analytics please visit <http://tools.google.com/dlpage/gaoptout>

Third Party Cookies

We have no access to third party cookies and they have none on ours.

To help you easily “Like” or share our content on the social media such as Facebook and Twitter we have included sharing buttons on our site.

The implications on this will vary from social network to social network and will be dependent on the privacy settings you have chosen on these networks.

Turning Cookies Off or Removing Them

Some cookies are essential for parts of our website to function and are in place at the start of your session. You can usually switch cookies off, delete or block them by adjusting your browser setting. Doing so may limit the functionality of our website.
